## CHECK OUT PROCEDURE

A rustically elegant century farm house sitting on 350 acres with private lake. Beautiful décor, exemplary hospitality with decadent multi-course breakfasts included. Think of the farmhouse as your home away from home.

Welcome to our charming farmhouse in nature! Stechelberg is a small village in the heart of the Bernese Oberland with brilliant and short connections to Schilthorn (007 film location) and the Jungfrau (Top of Europe).

Suitable for couples, single travelling adventurer, business traveller, families (with children) and big groups. Free WiFi available. Surrounded by nature but close to the city (Lauterbrunnen and Interlaken). Built in the 1840s, our Farm blends historic charm with rustic-chic and sits on 70 peaceful and secluded acres of farm land.

*Thank you!*
